

Dave McDiarmid - acceleratedtutoringcalgary@gmail.com

Math and science tutorials are being offered to Gr 9-12 students or adult students who are upgrading. I have ten years of experience in this field and am sure to explain concepts in a way that is easy to understand. My teaching style is focused on accommodating the particular needs and learning style of the individual student. Professional and personalized tutorial sessions will be held at local libraries or coffee shops in Northwest Calgary.

My credentials include a BSc in the natural sciences, from the University of Calgary, of which I finished with a GPA of 3.96, and a Chemical Engineering Diploma from SAIT. Phone (403) 404-6305 to book an appointment today, as spots are limited. The rate is \$40/hour and your satisfaction is guaranteed. References are available on request.

Courses being offered include: Math 6, 7, 8, 9, 10, 20-1, 20-2, 30-1, 30-2; Science 10 & 30; Biology 20, 30; Chemistry 20, 30; All math or science upgrading for adult students.
