

Really helped, finally understand topics that my chem teacher did not make very clear. Ben Swen is a great teacher. Thanks a ton :)

Course: Chem 30 RTD Teacher(s): Ben Swen

This was great! Really glad to have options like this to review with someone new before the big exams! Teacher was AMAZING!!! So helpful!

The review was good overall this will help me on my diploma. Ben was really good, he made it interesting, understandable, and also he teaches with really good energy and enthusiasm

Course: Chemistry 30 RTD Teacher(s): Ben Swen

This was a great overview of the course and I was provided with a plentiful amount of practice questions. Signage

I had a lot of fun and the review material was very helpful! I'll be back to do more!

Course: Chem 30 RTD Teacher(s): Ben Swen

This is an awesome course. It made me feel way more comfortable with the material. It made the diploma less daunting and was a great way to force me to study.

It really helped me to remember and better understand certain aspects of the course. I'm feeling optimistic towards my diploma result.

Also, Ben Swen is a cool name.

It was very helpful I really enjoyed how the teacher new his stuff and gave us good tips. Ben Swen was an awesome instructor
