Sample Student Feedback

I learned more than I did from my high school physics instructor the whole semester. It was somewhat interesting so I could actually focus. Wicked brain bro!

Mr. Ferguson was awesome! He was super funny and kept the class engaged.

Also, the booklets and notes are a good resource for independent study.

Mr. Ferguson is great @ explaining topics in a new way that aids in fermenting one's knowledge.

Mr. Ferguson made it very enjoyable, he offered helpful and interesting takes on different questions. It was really very helpful.

Ferguson was hilarious, helped me focus more than just physics autopilot

I ♥ Fergie

He's so funny

loved it! Mr. Fergeson was awesome!

Chris was a great instructor & made the class quite enjoyable.

Mr. Ferguson is really cool and makes physics exciting. I like his method of telling kids why certain formulas are used.

The course really helped me, and was very well done. Teacher reminded me of Seth Rogan, and made it very enjoyable.

Absolutely hilarious 😊

Finally made physics enjoyable

Chris Fergusson is the biggest beauty teacher I have ever had. I wish he was my teacher
