

The teacher was very enjoyable and made it more fun than just reviewing English

This course taught me more than I learned in English this sem. Its really great that you hire good teachers who aren't lazy and genuinely care about their student's success.

Course: LA 30-1 RTD Teacher(s): Jeremy Cowan

Good teacher kept me attentive.

Cowan was a beauty! :-*

English diploma prep was very helpful. I feel more confident and ready for diploma.

Jeremy was very helpful and offered a lot of great advice and insight.

There was very helpful information. Cowan is a good teacher.

I thought that the reading comp part was really helpful to me and I learnt some good points about the PRT and Essay.

Jeremy was practical, relatable, and down to earth. I loved the learning environment and the pace of the course.

The class was amazing, I learned quite a lot and I believe that this class will be the reason I will pass my diploma.

Course: English Part B RTD Teacher(s): Cowan

It was great that the instructor went through the reading comp answers in depth; not just stating the correct answer, but explaining why the other answers were incorrect. Overall, I feel more confident walking into my diploma next week.

Needs to work on his jokes 😊

He was a swell guy

Course: English 30-1 RTD Teacher(s): Jeremy Cowan

Very helpful tips, and the teacher was very prepared and made me feel confident.

Reading comp. is very important, loved that he helped me feel better about the diploma, especially the reading comp. part.

This session was 100x better than my past 2 years of English classes.
