This teacher was great. He was super helpful and made  
everything really easy to understand. He was engaging and  
the practice time/breaks he gave were good. He seems like  
a great guy in general, super friendly and he really  
knows his stuff. Thanks!!

Loved the teacher. Made the class enjoyable and super  
good review. Mr. OA reminds me of Walt from Breaking  
Bad - ironic this was chemistry class! :-)
