Review was very helpful, teacher was insightful and knows the course very well. Would recommend to others for sure.

Kevin was a good teach and the course was helpful and I got the opportunity to ask lots of questions and was alot more benifical compared to studying solo

Mr. Weimer is the greatest Math teacher on earth, throughout the past 3 years he is the only math teacher who I have been able to connect with as well as enjoy as a math teacher. Thanks to him I anticipate great results on my grade 12 diploma!
