

Course: English 30-1 RTD Teacher(s): Melody V

I enjoy the class, calm, cool and collected. Miss V knew everything we would question her about. Miss V has a great personality for working with young adults. I do wish though that we had a bit of one on one to help more with the students weakness, then help and address them!

Thank you!!!

I really enjoyed Melody as a instructor!

I really enjoyed & found it helped.

Course: English RTD Teacher(s): Melody

I loved the environment & course teacher !!

instructor was personable and created an effective + comfortable learning environment

I Loved it! she never made it boring & always had a great attitude. Makes lots of relatable jokes and tells us key things to know.

Super super cool !! wish you were me English Teacher at my school!

Melody was also a wonderful teacher!
