

Mr. Dunwoody was a very good teacher, I enjoyed his class alot, it flew by. Everything I learned in the course was covered and more...

-Mr. Dunwoody is a great teacher, he makes the classroom very fun and also a beneficial time.

-Marina is also a great helper

Tom Dunwoody was a fantastic teacher and I appreciate that he spent the appropriate amount of time on each topic. I didn't feel that I missed out on anything

Great course - RTD is always great

Mr. Dunwoody is the MAN!!
this guy forrealz knows what hes talkin about. defs get this guy next year foshizzle!! errybody love him erry erry body love him,

really enjoyed mr. Dunwoody's enthusiasm!

It was awesome. The teachers were great & very friendly. I definatly think I will do much better on my diploma.

Mr. Dunwoody was absolutely awesome & helped me understand some of the concepts I hadn't got before.

Dunwoody made the class interesting. I enjoyed the 10 min break after every hour or so of work, made it easier to focus.

Mr Dunwoody was awesome and extremely helpful. I will be doing rock the diploma for the rest of my 30 level courses.

I really like having Mr. Dunwoody as instructor and I find it extremely helpful in narrowing out my study amount of work. I strongly recomm. ended this to many ppl.

Course: Bio 30 RTD Teacher: Dunwoody

Teacher was awesome, clarified alot of things I was uncertain about. Definitely improved my understanding of the course material.

Mr. Dunwoody was wonderful! More time could have been spent on mitosis + meiosis, but other than that the class was great!

Thanks!
