

RTD EXAM PREP

## Diploma Prep at St. Peter the Apostle High School

10 Harvest Ridge Dr, Spruce Grove, AB

# PROGRAM INFORMATION

RTD is pleased to announce that we'll be offering our proven effective diploma exam prep courses in the community of Spruce Grove.

These are the same high-quality courses offered in Edmonton at MacEwan University's Main and South campuses. At RTD we are committed to value, these extensive, smaller-class reviews are only \$125.

Please note that students must register and pay at our website ([www.rockthediagram.com](http://www.rockthediagram.com)) to attend. Please do not contact the school with any registration inquiries or questions. While they are making their classroom space available this program is **not** associated with the school or the Evergreen Catholic Separate School District and **all students are welcomed to attend**.

### 📍 Where Do I Go to Check in?

Signs will be posted near the main entrance, along with a registration table. Once you check-in and receive your course materials – you will be directed to the appropriate classroom.

### 🍽️ What about Food?

I'm glad you asked. I can see I'm dealing with a real planner. Choices for purchasing food on-site (or within walking distance) are limited to vending machines. Don't let hunger affect your studies! **Students are strongly encouraged to bring water and snacks with them.**

📖 **What Else Should I Bring?** All courses will include comprehensive review packages, and where applicable formula / data sheets, reference tables, etc. You may want to bring additional paper for any additional notes or for those "extra-long" examples. Where applicable, please bring your graphing calculator, thesaurus, (probably not to the same course), and other supplies.

😊 **What Can I Expect for Breaks?** Expect several 10-15 minute breaks, about every 70 minutes and where applicable a 50-minute lunch break. At RTD we know that effective learning requires mental breaks, so students can feel free to leave class when needed.
