

CENTRAL EDMONTON

Campus A - **Grant MacEwan University** (*Robbins Centre*)

What about Food? (City Centre CAMPUS) I'm glad you asked. I can see

I'm dealing with a real planner. Inside the Robbins Centre there are plenty of vending machines for snacks and beverages. Across the street on 104 Ave there are restaurant options, including Tim's, Wendy's and Harveys. **Students are strongly encouraged to bring water and snacks with them.**

- What Else Should I Bring? All courses will include comprehensive review packages, and where applicable formula / data sheets, reference tables, etc. You may want to bring additional paper for any additional notes or for those "extra-long" examples. Where applicable, please bring your graphing calculator, thesaurus, (probably not to the same course), and other supplies.
- ☼ What Can I Expect for Breaks? Expect several 10-15 minute breaks, about every 70 minutes and where applicable a 50-minute lunch break. At RTD we know that effective learning requires mental breaks, so students can feel free to leave class when needed.
- P ...And Parking? MacEwan has several pay options. Please click on the appropriate link. >>>
